LEGAL EXPENSES | CONDITIONS

These are the other conditions you must keep to as your part of the contract.

Preventing Legal Proceedings

You must take all reasonable measures to prevent or avoid being involved in legal proceedings and keep the cost as low as possible.

Arbitration

If there is a dispute between you and us or the insurer about this section of the policy, it can be taken to an independent arbitrator. The arbitrator will be a solicitor or barrister you and we agree to. If we cannot agree with you on an arbitrator, the President of the Law Society (or similar organisation within the appropriate territorial limits) will choose an arbitrator.

The side that loses the arbitration will pay all the costs of the arbitration. If the decision is not totally in favour of one side, the arbitrator will decide who pays the costs. If you lose, the policy will not cover these costs.

You can still use the complaints procedure shown on page 20.

LEGAL EXPENSES | CLAIMS SETTLEMENT CONDITIONS

These conditions apply when you make a claim. You must keep to these conditions as your part of the contract.

Telling Us About The Claim

If anything happens which might lead to a claim, you must tell us as soon as possible by filling in a claim form. You must tell us fully and truthfully in writing all the details about your claim and give us all the information that we may need. Until you have told us about the claim and we have given our written agreement, the insurer will not be responsible for any legal expenses. The insurer will not cover legal expenses involved in your representatives handling the claim before the date when we gave our written agreement. You must have told us about the claim within six months of the cause of action arising.

LEGAL EXPENSES | CLAIMS SETTLEMENT CONDITIONS

These conditions apply when you make a claim. You must keep to these conditions as your part of the contract.

Telling Us About The Claim

If anything happens which might lead to a claim, you must tell us as soon as possible by filling in a claim form. You must tell us fully and truthfully in writing all the details about your claim and give us all the information that we may need. Until you have told us about the claim and we have given our written agreement, the insurer will not be responsible for any legal expenses. The insurer will not cover legal expenses involved in your representatives handling the claim before the date when we gave our written agreement. You must have told us about the claim within six months of the cause of action arising.

Giving Our Agreement

We will agree if all of the following apply.

- We think you have a reasonable chance of winning your case and achieving a reasonable outcome.
- The legal proceedings arise from a cause of action, which is covered by this insurance. This cause of action must happen within the territorial limits and during the period of insurance.
- A court within the territorial limits will deal with the legal proceedings.
- You have kept to the terms and conditions of the policy and none of the exclusions listed on page 16 of this section and pages 18-19 of the policy exclusions that apply to your claim.

If we do not accept your claim, we will tell you why.

If, during the claim, we think that there is no longer a reasonable chance of your winning the case and achieving a reasonable outcome, we may not continue to support your legal proceedings. If we do not carry on with your claim, we will tell you why.

Choosing a Representative

In the period before we can agree that legal proceedings are necessary, or in the circumstances set out in claims condition 10 on page 18, we may take on and carry out in your name, any negotiations for you. You must agree to a settlement, which is reasonable. If we agree that legal proceedings are necessary, but we are not able or you do not want us to act for you, we will agree with you on a representative to act for you. We will suggest a shortlist of representatives who will be willing and able to act for you. You can choose a representative from this shortlist. If you prefer not to use a representative from this list, we will consider your choice. You will need to satisfy us that your chosen representative has the necessary expertise to deal with your legal proceedings. You must also confirm that he or she will not charge more than a representative on the list. However, you can pay the difference between your chosen representative's fees and those of a representative on the shortlist. In some circumstances, we may not accept the representative you have suggested, but we will explain why. If we cannot agree on your representative, you can take the matter to an independent arbitrator. This process is set out on page 16 of this policy wording. Any representative you choose is appointed to act for you.

Rights and Responsibilities

You must tell us if an offer is made to settle the dispute. You must not negotiate or agree to settle the dispute without getting our agreement beforehand. If you do not accept a reasonable offer to settle the dispute, we may not continue to support your claim.

You must send us all bills for the representative's legal expenses as soon as you receive them. You must confirm to us that any charges you have to pay for the representative handling this dispute are acceptable and that we may pay the bill for you.

You and your representative must take every step to recover legal expenses. You must pay any recovered legal expenses to your representative who must then refund any legal expenses, which the insurer has paid or has been asked to pay.

If the insurer pays legal expenses up to the policy limit and you pay more legal expenses to end your case, the insurer and you will share any legal expenses that are recovered. The insurer and you will each receive the same percentage as originally paid.

Information your Representative will need from You

You must give your representative all the information and help he or she may need. This will include a truthful account of the facts of your case and any paperwork to do with your case.

What you and your representative must do for Us

We must be able to contact your representative. You and your representative must co-operate and tell us about developments to do with your case.

If we ask for this, we must be able to have access to your representative's files. This includes the truthful account of the facts of your case and any paperwork you have supplied to your representative.

If your representative wants to consult a barrister or expert witness, we will agree if we think it is reasonable. You must give us the name of the barrister or expert witness, and the reasons why you need one.
